VERIFIED COMPLAINT

Plaintiff, INDUSTRIAL CARRIERS INC. (hereinafter referred to as "Plaintiff" or "ICI"), by and through its attorneys, Tisdale Law Offices LLC, as and for its Verified Complaint against the Defendant, OV LIMITED (hereinafter referred to as "Defendant" or "OV"), alleges, upon information and belief, as follows:

1. This is an admiralty and maritime claim within the meaning of Rule 9(h) of the Federal Rules of Civil Procedure and 28 United States Code § 1333.
2. At all times material to this action, Plaintiff was, and still is, a foreign company duly organized and operating under foreign law and was, at all material times, the charterer of the M/V "CAPETAN MICHALIS" (hereinafter referred to as the "Vessel").
3. Upon information and belief, Defendant was, and still is, a foreign corporation or other business entity organized under and existing by virtue of foreign law.
4. By a maritime contract (hereinafter referred to as the "Contract" or the "Agreement") dated May 08-10, 2007, the Plaintiff contracted with the Defendant for the provision of bunkers to the Vessel.

5. During the course of the Contract, certain disputes arose between the parties regarding the Defendant's failure to provide adequate bunkers as per the terms of the Agreement. This failure to provide adequate bunkers has resulted in the need to remove the bunkers from the Vessel, to clean the Vessel's tanks and in several days lost time to complete the foregoing.

6. As a result of Defendant's breaches of the contract, Plaintiff has sustained damages in the total principal amount of **\$125,000.00** exclusive of interest, arbitration costs and attorney's fees.

7. The Contract provides that any disputes arising thereunder shall be referred to London Arbitration with English law to apply.

8. Plaintiff will soon commence arbitration in London pursuant to the Contract and will appoint its arbitrator.

9. Interest, costs and attorneys' fees are routinely awarded to the prevailing party in London arbitration pursuant to English Law. As best as can now be estimated, Plaintiff expects to recover the following amounts:

A.	Principal claim:	\$125,000.00
B.	Estimated interest on claims: 3 years at 8%, compounded quarterly	\$33,564.63
C.	Estimated attorneys' fees and arbitration costs:	\$50,000.00
Total		\$208,564.63

10. The Defendant cannot be found within this District within the meaning of Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims of the Federal Rules of Civil Procedure, but, upon information and belief, Defendant has, or will have during the pendency of this action, assets within this District and subject to the jurisdiction of this Court,

held in the hands of garnishees within the District which are believed to be due and owing to the Defendant.

11. The Plaintiff seeks an order from this court directing the Clerk of Court to issue Process of Maritime Attachment and Garnishment pursuant to Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims, and also pursuant to the United States Arbitration Act, 9 U.S.C. §§ 1 and 8, attaching, *inter alia*, any property of the Defendant held by any garnishees within the District for the purpose of obtaining personal jurisdiction over the Defendant, to compel arbitration and to secure the Plaintiff's claim as described above.

WHEREFORE, Plaintiff prays:

- A. That process in due form of law issue against the Defendant, citing it to appear and answer under oath all and singular the matters alleged in the Complaint, failing which default judgment be entered against it in the sum of **\$208,564.63**.
- B. That since the Defendant cannot be found within this District pursuant to Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims, this Court issue an Order directing the Clerk of Court to issue Process of Maritime Attachment and Garnishment pursuant to Rule B of the Supplemental Rules for Certain Admiralty and Maritime Claims, also pursuant to the United States Arbitration Act, 9 U.S.C. §§ 1 and 8, attaching all goods, chattels, credits, letters of credit, bills of lading, effects, debts and monies, tangible or intangible, or any other funds up to the amount of **\$208,564.63** belonging to, due or being transferred to, from, or for the benefit of the Defendant, including but not limited to such property as may be held, received or transferred in Defendant's name or as may be held, received or transferred for its benefit at, moving through, or within the possession, custody or control of banking/financial institutions and/or other institutions or such other garnishees to be named, and that all persons

claiming any interest in the same be cited to appear and pursuant to Supplemental Admiralty Rule B answer the matters alleged in the Complaint;

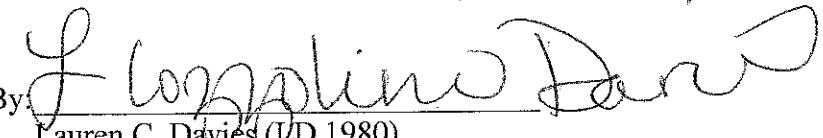

C. That pursuant to 9 U.S.C. §§201 et seq. this Court recognize and confirm any London arbitration award in Plaintiff's favor against the Defendant as a judgment of this Court;

D. That this Court award Plaintiff the attorneys' fees and costs incurred in this action; and

E. That the Plaintiff have such other, further and different relief as the Court may deem just and proper.
